Image report

The `img` elements of the page are shown below categorized by their type of textual alternative. PI

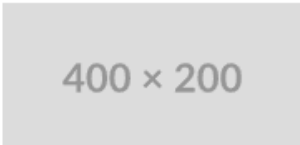

Empty textual alternative—Omitted from non-graphical presentation

The following images are marked to be omitted from non-graphical presentations (`alt=""`).

Purely decorative images belong in this category. Also, iconic images that are redundant with text

If the page would become less understandable if the presence of an image was concealed, the `alt` attribute should be omitted by the markup generator.
